Atlas Professional is an excellent choice for corporate executives and other professionals who require travel medical insurance coverage for numerous trips during the year. When you buy Atlas Professional, coverage is automatically in place for those last minute international trips. State of the art travel and emergency medical assistance services are part of every Atlas Professional policy. These features are accompanied by the same astonishing service you have come to expect from HCC Medical Insurance Services, one of the leaders in international travel medical insurance.

Atlas Professional is an annual policy available to individuals under 66 years of age who maintain medical coverage in their home countries. Dependent coverage is also available!

Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? HCCMIS is experienced in arranging Emergency Medical Evacuations. Atlas Professional will cover the necessary expenses to transport you to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Professional will also cover the transportation, lodging and meal costs for a relative to join you after an Emergency Medical Evacuation.

Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Atlas Professional will arrange for and cover the costs associated with the repatriation of your remains.

Hospital Indemnity

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, Atlas Professional will provide \$100 for each night you spend in the hospital.

Trip Interruption

One of a traveler's biggest worries is the safety of his or her home while away. If you learn that a catastrophic event like a tornado, hurricane or flood has caused severe damage to your home while traveling abroad, Atlas Professional will cover the cost of a one-way, economy class ticket to the airport nearest your home.

Home Country Coverage

Because Atlas Professional does not provide coverage in your home country, you are required to maintain other coverage in your home country. However, the plan does provide benefit period coverage in your home country. If you are treated for a covered injury or illness while traveling internationally, Atlas Professional will provide 180 days of coverage, beginning on the day of diagnosis or treatment, for that condition whether you are at home or abroad.

Other quality benefits offered by Atlas Professional:

Return of Minor Children: If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness and covered children under 18 years of age will be left unattended as a result, Atlas Professional will cover the transportation cost for the children to return home.

Complications of Pregnancy: Atlas Professional offers coverage for Complications of Pregnancy during the first 26 weeks of gestation.

Political Evacuation: If, during the coverage period and after your arrival, the United States government issues a travel warning for your destination country, the Atlas Professional will coordinate your alternate departure arrangements from that country and cover the associated costs.

Hospitalization & Outpatient Treatment: If a covered illness or injury requires hospitalization, the plan provides coverage for costs associated with hospitalization care, including intensive care, and outpatient treatment.

Natural Disaster Benefit: Natural disasters can happen anywhere and at anytime. If a natural disaster occurs while on your trip causing you to become displaced from your accommodations, Atlas Professional will provide relief of \$100 a day to help cover the costs of alternative accommodations.

Optional Hazardous Sports Rider

If you plan to participate in hazardous sporting activities such as mountain climbing or whitewater rafting, you may consider our Sports Rider. This optional rider will provide medical coverage for injuries as a result of an accident during participation in one of these activities otherwise excluded from coverage.

Optional Terrorism Rider

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, Atlas Professional offers the optional Terrorism Rider, which provides medical coverage for injuries resulting from these acts.

What Is Excluded?

The following charges, treatments, surgeries, medications, conditions and circumstances are excluded:

- Treatment for or related to any congenital condition
