

Atlas Group®

The Atlas Group plan from WorldTrips, a member of the Tokio Marine HCC group of companies, is with you and your group of 5 or more almost anywhere you may travel in the world. Atlas Group coverage is designed for mission trips, large family vacations, student groups, corporate groups, and overseas excursions for other large organizations.

Why Choose Atlas Group®?

Whatever the reason, traveling internationally with a large group should be a pleasant experience. Complications and emergencies such as illness, injury, and natural disasters are a fact of life, and could be even tougher to manage for a large group of people. While we hope none of these incidents happen... we're here to help if they do.

That's why Atlas Group provides coverage for unexpected medical expenses as well as emergency travel benefits and multilingual travel assistance services.

My family has medical insurance in our home country; do we need group travel medical insurance?

Often, the primary medical insurance in your home country will not cover you and your family while traveling internationally, and medical expenses can be very costly while abroad. Atlas Group plans offer budget-friendly coverage—plans start at less than \$1 a day!

Additionally, Atlas Group includes important travel assistance services such as translation assistance while being treated, doctor and hospital referrals, and assistance replacing lost prescriptions.

What's Covered by Atlas Group®?

INTERNATIONAL COVERAGE

Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? WorldTrips is experienced in arranging emergency medical evacuations. Atlas Group will cover eligible expenses necessary to transport you from an initial treating facility to the nearest hospital qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Group will also cover the transportation, lodging, and meal costs for a relative to join you after a covered emergency medical evacuation, up to the lifetime limit.

Repatriation of Remains

What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Atlas Group will arrange for and cover eligible costs associated with the repatriation of your remains.

Return of Minor Children

If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness, and covered children under 18 years of age will be left unattended as a result, Atlas Group will cover the transportation cost for the children to return home.

Terrorism

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, and the country or region you're visiting is NOT under a level 3 or higher travel advisory, Atlas Group offers coverage for eligible medical expenses resulting from those acts. Coverage excludes countries

or regions for which the U.S. Department of State has issued a level 3 ("reconsider travel") or higher travel advisory in the 60 days prior to your arrival date.

Political Evacuation

If, during the coverage period and after your arrival, the U.S. Department of State issues a level 3 or higher travel advisory for your destination country, Atlas Group will coordinate your alternate departure arrangements from that country and cover eligible associated costs.

Natural Disaster Benefit – Replacement Accommodations

Natural disasters can happen anywhere and at any time. If a natural disaster occurs while on your trip, causing you to become displaced from your planned and paid accommodations, Atlas Group will provide relief of a maximum of \$250 a day for 5 days to help cover the costs of alternative accommodations.

Hospital Indemnity

If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, Atlas Group will provide \$100 for each night you spend in the hospital.

ATLAS GROUP* QUALITY BENEFITS

Acute Onset of Pre-Existing Conditions

Atlas Group provides a limited benefit up to the medical coverage life-time maximum for eligible medical expenses. If you are younger than 80, you may be covered for an acute onset of a **pre-existing condition. This also includes up to a \$25,000 lifetime maximum for emergency medical evacuation.

An acute onset of a pre-existing condition is a sudden and unexpected outbreak or recurrence that is of short duration, is rapidly progressive, and requires urgent care. A pre-existing condition that is a chronic or congenital, or that gradually

becomes worse over time, is not acute onset of a pre-existing condition.

The Acute Onset of Pre-existing Condition benefit will only apply if all of the following conditions are met:

- a) The Acute onset of a Pre-Existing Condition does not directly or indirectly relate to a chronic condition or congenital condition;
- b) Treatment must be obtained within twenty-four (24) hours of the sudden and unexpected outbreak or reoccurrence;
- c) You must be under eighty (80) years of age;
- d) You must not be traveling against or in disregard of the recommendations, established treatment programs, or medical advice of a physician or other healthcare provider;
- e) You must not be traveling with the intent or purpose to seek or obtain treatment for the pre-existing condition;
- f) You must be traveling outside your home country

Hospitalization & Outpatient Treatment

If a covered illness or injury requires hospitalization, the plan provides coverage for eligible costs associated with hospitalization, including intensive care unit and outpatient treatment. Sports Coverage

Atlas Group includes coverage for eligible injuries and illnesses that could occur while participating in many popular vacation sports - skiing, snowboarding, snorkeling, water skiing, and others - at no additional cost. Certain extreme sports are excluded from coverage.

HOME COUNTRY COVERAGE

Incidental Home Country Coverage

You must have purchased three months of coverage for the Incidental Home Country Coverage to be in effect.

For individuals with U.S. as home country, for every three-month period during which the member is covered hereunder, medical expenses incurred in the U.S. are covered up to a maximum of 15 days.

For individuals with a home country other than the U.S., for every three-month period during which the member is covered hereunder, medical expenses incurred in the member's home country are covered up to a maximum of 30 days.

Any benefit accrued under a single three-month period does not accumulate to another period. Failure of the member to continue his or her international trip or the member returning to their home country for the sole purpose of obtaining treatment for an illness or injury that began while traveling shall void any incidental home country coverage.

Benefit Period Medical Coverage

While the certificate is in effect, the benefit period does not apply. Upon termination of the certificate, including when you return to your home country, the benefit period applies for up to 90 days only to eligible medical expenses directly related to an injury or illness that was diagnosed or treated while the certificate was in effect. The benefit period begins on the first day of diagnosis or treatment of a covered injury or illness made while you are outside

your home country. The benefit period applies whether or not you return to your home country.
